Sir:

In response to the Official Action of July 1, 2003, having a shortened statutory period for response set to expire on August 1, 2003, please consider the following remarks:

REMARKS

In the Official Action, restriction was required between the two (2) inventions identified in the original application. In particular, restriction was required between the subject matter of Group I, namely Claims 1 - 3, as drawn to the waterproof moisture permeable cloth, and Group II, namely Claim 4, as drawn to the method of making an article from the cloth the Group I.

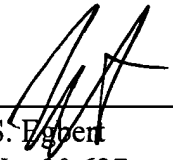

Although Applicant respectfully disagrees with the Requirement for Restriction, Applicant is desirous of obtaining examination of the present application at an early date. As such, Applicant herein elects the subject matter of Group I, namely Claims 1 - 3. Applicant reserves the right to take such other measures as he deems necessary to protect the subject matter of Group II.

Applicant believes that an office action is now in order and such is respectfully requested.

Respectfully submitted,
